Benton Lottery Winner Avoids Spending Spree

BY BRANDON BROWN

Staff Writer

What does a softspoken, pipe-smoking Benton Heights factory worker do when he wins \$50,000 in the state lottery?

If he's Bobby Ray Tippy, 38, he buys a color television set, thinks about improving his

modest two-bedroom home at 2134 Crawford drive and buying another used car, and plans firmly to bank most for his youngsters' education.

"I'm not going to spend it," Tippy said Friday as he sat by his wife, Judith, watching their new 25-inch television set.

"I want to see my kids go through high school, and if they want to go to college, that's fine with me."

Tippy, a longtime Kaywood saw operator in Benton Harbor, rode with a friend, Bob Williams of Benton Harbor, to his brother's home in Inkster Wednesday, collected the first \$10,000 of \$50,000 winnings Thursday in Wyandotte, and returned to Benton Heights later in the day.

"We were going to go to the horse races but didn't have time," Tippy says.

What did he do when he arrived home?

"Called Internal Revenue to find out how to pay taxes, and how much," said his wife.

They also traded in their 11-year-old black and white television set on a brand new 25-inch for \$551, but "we got that one on sale or we wouldn't have got it," Mrs. Tippy adds.

She's expecting the couple's third child in June so she couldn't travel with her husband to the lottery drawing. The other two are Kevin, 5, and Brian, 3.

Tippy, a \$110 to \$140-a-week workman, didn't party when he arrived home with his winnings because he was too tired and entertains no thoughts about lavish living.

He plans to bank the balance for children's college expenses after paneling his livingroom, buying some carpeting, painting the basement and part of the outside of the house.

Tippy won't buy a new car but he may buy another used car. The couple owns a 1966 model, and a temperamental 1963 model.

Friday he attended the funeral of a Kaywood co-worker, Mrs. Dixie Harmon, and later the Tippys sat chatting before the new television with Mrs. Tippy's mother, Mrs. Kenneth Burris of Allica, Ind.

She was here for the weekend "to see if some of that luck will rub off on me."

GRANDMOTHER'S HOUSE AT EASTER: Mark Lawrence and Maribeth Reichenadter like to visit the home of their grandparents, Mr. and Mrs. George Beckman, Washington avenue, St. Joseph, any time of the year. But it's a special treat at Easter when Grandpa and Grandma have arranged their yard with

Easter creatures. Mark is the son of Mr. and Mrs. William Lawrence of Coloma. Maribeth's parents are Mr. and Mrs. Larry Reichenadter of Niles. Both tots are two years old. (Staff photo by Harry Smith)

Fuel Shortage Squeezing Independent Gas Stations

BY DICK DERRICK

SJ City Editor

Independent gasoline dealers in the Twin City area are facing a squeeze they predict will get a lot tighter before it ever eases up.

A few stations are closed, some have to shop hard for the gas they have and others, tied to major refiners, have been advised to expect shortages.

Dave Scher of Airport Service, 1201 Territorial, Benton

Harbor, summed up the situation when he said he has enough gas "right now—but I'm paying murder for it." He declined to reveal his source. Most independent dealers did likewise, in protecting their source of supply. Scher has to buy from a major supplier.

"It's (gasoline) hard to find," Scher said and the higher cost cuts the profit margin to a thin edge.

There are no independent suppliers left, he said, and independent gas retailers have to deal with the major refineries if they want any gasoline at all. He said he can get the gas he needs, receiving a shipment of

9,000 gallons two days ago, but sometimes he has to shop around. He estimates he pumps between 25,000 and 30,000 gallons a month.

He said he has been in the gasoline retail business for 15 years and this is the first time he has faced the threat of a cutoff of supplies. He predicts the squeeze will eventually force independent retailers out of the field altogether.

One of the disadvantages faced by an independent in purchasing a major brand gasoline is that he pays the same price but he derives none of the advantages of advertising or other promotion. When the

gas profit is around a penny a gallon, he said, it hardly pays to run the electric pumps.

In a look at the industry he noted that there are going to be a lot of closings, not only among the independents but among the major chains as well. He views

the shortage as part of a pressure play to get oil from Alaska via a controversial pipeline.

Bill Machemer at 845 East Napier, Benton Harbor, reported the man who leased the gas

Fishermen Help Net 3 Suspects

GANGES — Several smelt fishermen came up with a bigger catch than they bargained for early today as they assisted troopers from the South Haven state police post in interrupting an apparent attempted burglary of a Lake Michigan shoreline cottage.

Troopers said three juveniles, all 16-year-old boys from Paw Paw, were arrested in connection with the attempted entry of a Ganges township cottage owned by Harold Stege, River Forest, Ill.

Troopers said they were alerted shortly after midnight. Officers said that when they arrived, approximately eight fishermen had taken chase of the alleged intruders. The fishermen told officers they heard glass break and saw lights in the nearby cottage. The alleged intruders were tracked through a nearby field where an apprehension was made.

The juveniles were to be petitioned to Allegan county probate today.

Mitchell Says Money Bought Legal Services--Not Silence

WASHINGTON (AP) — Quoting an associate of former Atty. Gen. John N. Mitchell, the Washington Post said today that Mitchell testified he approved payments from President Nixon's re-election campaign funds to the seven Watergate conspirators after the June 17 arrests at Democratic headquarters.

But Mitchell reportedly maintained under oath, the Post said, that the money was intended to pay their legal fees—not to buy their silence. He did not mention amounts of money,

the Post said.

Mitchell testified for about three hours Friday, before the federal grand jury investigating the Watergate case. Afterwards he told newsmen he never handled any payoff money to buy silence from the defendants. He also said that while discussions about bugging Democrats were held in his presence, "no such operations were ever approved by me at any time, under any circumstances."

He was not available for comment on the Post story.

The associate told the Post that Mitchell testified he believes Jeb Stuart Magruder, the deputy presidential campaign director, went over Mitchell's head to unnamed officials at the White House to obtain approval for the Watergate bugging. Mitchell served as Nixon's campaign manager until two weeks after the Watergate break-in.

Magruder has been quoted as saying that Mitchell and White House counsel John W. Dean III approved of and helped plan the Watergate operation spearhead-

ed by G. Gordon Liddy.

Mitchell was followed on the grand jury stand by Dean. Dean declared on Thursday that he will not allow himself to become a scapegoat in the Watergate case. Asked to comment on what Dean would tell the jury, his attorney, Robert McCandless, said: "Mr. Dean has made his statement and will stand on it."

The New York Times quoted sources close to the Watergate case today as saying that Dean

Says Congress Sure To Freeze Pay And Prices

WASHINGTON (AP) — A coauthor of a bill that would extend wage and price control authority for another year predicts its quick approval when Congress returns from Easter recess on April 30, the day the authority is to expire.

Rep. Henry S. Reuss, D-Wis., said his prediction is based on the "current disastrous inflationary indicators."

Reuss, a member of the Senate-House conference committee that produced the compromise bill, referred only in general to inflationary pressures but his comment came after the Bureau of Labor Statistics issued a report saying consumer prices in March increased at the highest rate in 22 years.

A record 3.2 per cent jump in grocery prices was the biggest factor in the increase. That rise followed record increases of 2.3 per cent in February and 2.5 per cent in January and was the largest since the BLS began tabulating grocery prices in 1952.

In another economic development, the Federal Reserve System Friday announced it was increasing its discount rate from 5½ per cent to 5¾ per cent, effective Monday. The discount rate is charged member banks who borrow from their district federal reserve banks.

Reuss predicted no difficulty for the control bill in the Senate because the bill is essentially identical to the original Senate-passed measure.

"As for the House," he said, "the Senate provisions added in the conference report sufficiently strengthened the weak House version so as to make it acceptable to many of us who voted against the House bill on the first time around."

Another conferee, Chairman Wright Patman, D-Tex., of the House Banking Committee, said he felt the White House should have moved to break the impasse over the bill by supporting the compromise.

Congress acceded to Nixon administration wishes by eliminating from bill all mandatory price ceilings and rollback provisions. The President asked for discretionary authority. The present, Phase 3 controls are largely voluntary.

Herbert Stein, chairman of the President's Council of

Two BH Board Members Undecided

Two incumbent members of the Benton Harbor board of education said Friday they haven't decided if they will seek re-election.

The board members whose terms expire this year are Mrs. Ilene Fox, board secretary, and Bernard Beland. Mrs. Fox was elected to the board in 1969, and Beland was elected to a short term in 1971.

Both of the expiring seats at stake in the June 11 election are for four-year terms.

Nominating petitions must be filed with the business manager at the school business office, 240 Jefferson street, Benton Harbor, by 4 p.m. Monday, May 14.

Petitions must have a minimum of 45 names for each candidate and cannot carry more than 181 signatures. Only registered voters are eligible to sign nominating petitions. A person may not sign more petitions than there are vacancies.

Mrs. Fox said: "My plans as a candidate for re-election to the the Benton Harbor board of education are currently indefinite."

"However, my interests continue to be associated with the provision of a quality education for all students in the Benton Harbor Area school district on a sound financial basis to the taxpayers, and any decision on my part to be a candidate for re-election will be determined how that goal can best be accomplished."

"I will make my decision within the next week or so."

Mrs. Fox lives in the former Chadwick district in Sodus township. Transfer of Chadwick and two other former districts from Benton Harbor to Eau Claire will be the subject of a hearing Tuesday at Berrien Springs. The Benton Harbor board voted 6 to 1 this week not to oppose transfer. Mrs. Fox cast the lone dissenting vote.

Beland declared: "I haven't made up my mind yet. If there are indications that some form of redistricting is going to take place, I'll run."

Speaking on the Benton Harbor school situation in general, Beland said: "Things have improved quite a bit, but most people don't realize it."

Trustee Philip McDonald said Tuesday the board has been presented with two plans for redistricting. One would make two districts out of one and the other would make three.

MRS. BEVERLY LINN

Woman First To File For SJ Board

Mrs. Frank (Beverly) Linn of 3055 Wissing Lane, Shoreham, is the first candidate to file nominating petitions for one of the two seats on the St. Joseph Board of Education.

Both of the incumbents, Dr. Dean K. Ray and Douglas Burr, have announced they will not be candidates for re-election.

Mrs. Linn, 38, was born and raised in Benton Harbor. She is the daughter of Dr. and Mrs. Frederick Rahn of Benton Harbor. She is a 1952 graduate of Benton Harbor High school and received a bachelor of science degree in nursing education from the University of Michigan in 1956.

Her husband, Dr. Frank V. Z. Linn, is an ophthalmologist practicing in St. Joseph.

She is the mother of three children: Skip, 10th grade; Nancy, ninth grade; and Christopher, second grade.

Her activities cover a wide range that include many related to education.

While residing in Indianapolis, Ind. for three years she was assistant director of in-service education and taught student nurses at Community hospital.

She is active in and a past president of Berrien County Medical auxiliary; a board member of the Antiquarian and Historical society; vice president and charter member of the local chapter of Quarters, Inc., an organization fostering collecting antiques.

Mrs. Linn has done volunteer

nursing for the Red Cross, worked in assorted field for "Friends of the Arts" (Art day, Arttrain, art center) and while residing in Benton township was a member of the township planning board. She worked on the Benton Harbor library subcommittee for the Bookmobile and after completing the Great Books course, taught Junior Great Books to children in the North Shore area.

Volunteer activities include work in the Brown school library and with the Brown school PTO.

She is a member of the Methodist church.

Lightning Strikes Bedroom

Lightning early this morning knocked a three-foot hole in the interior bedroom wall of the Rieky Sink home at 1196 Beverly court, Benton township, according to township firemen.

Firemen, called to the home at 5:58 a.m., said no one was injured. No fire resulted.

The fire department reported that lightning came down a television mast and entered the house through the attic. A television set also was damaged, firemen said.

Vision, Hearing Screening Program June 15 In SJ

The annual vision and hearing screening program for preschool children will be held after June 15 at Washington school, St. Joseph.

Children born in 1969; January and February of 1970, plus those born in 1968 who have not been previously tested are eligible.

Primary purpose of the screening is to find certain types of eye and ear conditions early in order to prevent serious damage. Some children show no signs of vision or hearing difficulty at this age.

Preschool children living in the St. Joseph school district are encouraged to take advantage of the free service, provided by

the Berrien County Health department and the Michigan Department of Public Health, Ester Kutz, school nurse at Upton junior high school, said.

The Michigan preschool vision law requires children entering any school in Michigan to have a vision test after age three or prior to school entrance.

Parents who have not enrolled their child in the preschool vision and hearing program and wish to do so may call Mrs. Kutz at Upton, 429-1566, to make arrangements.

Members of the St. Joseph Lianas club will assist in making appointments, mailings and will be receptionists at the clinic.

Miss Blossomtime Calls On Mayor Daley Monday

Miss Blossomtime, Deborah Zemke of Bridgman, will carry the message of southwestern Michigan's Blossom Festival to Chicago Mayor Richard J. Daley Monday.

Miss Zemke and blossom pageant runnersup, Melissa Young of Watervliet and Jill Herman of Benton Harbor, will call at Daley's office Monday and present him and his staff with Michigan's best apples.

It's the first stop on the queen's annual promotional

tour of Chicago. On Tuesday, southwestern Michigan's 25 other community queens will meet Miss Zemke, Miss Young and Miss Herman at Great Lakes Naval hospital where they will visit wounded Vietnam veterans and distribute apples.

Other events on Monday's schedule include luncheon at the top of the John Hancock building and a whirlwind tour of the city for interviews and publicity photos.

Miss Blossomtime and the

runnersup will stay at the Sheraton Chicago Monday night and arise at 4 a.m. Tuesday Chicago time to keep an appointment for appearances on Orion Samuelson's "Top of the Morning" show and the Ray Rayner show, both on WGN-TV channel 9.

Samuelson's show starts at 7:05 a.m. Michigan time, followed immediately by the Ray Rayner show at 8 Michigan time.

Miss Zemke, Miss Young and Miss Herman will meet the other community queens at 11 a.m. at Great Lakes. The entourage is scheduled to return to Travel Inn, Benton Harbor, between 9 and 9:30 p.m.

Accompanying Miss Blossomtime and the runnersup to Chicago Monday will be Dick and Kay Ward, central queens co-chairmen; Cathy Virski, queens chaperone; and Tone Mammina, Blossomtime photographer. The 11-car cavalcade carrying the other community queens on Tuesday will be headed by Bob Braamse.

Blossom week will be observed in southwestern Michigan April 29 - May 4, starting with the Blessing of the Blossoms April 29 and concluding with the Floral Parade May 4.

U-M PROGRAM

From SJ High To Medical School

Matt Houseal, 18, son of Mr. and Mrs. William Houseal, 1902 Sunset drive, St. Joseph, is among 50 high school graduates to enter the University of Michigan Medical school, by-passing college preparatory training.

Houseal, a senior at St. Joseph High school, is part of an accelerated program to channel promising young students directly into the medical school. They will study ten months instead of the normal nine months for five years. Part of the introductory to medicine will be to spend a month with a practicing physician.

Normally a candidate to medical school spends four years taking a pre-medical course in college.

The accelerated medical program is in its second year at the University of Michigan.

FIRE DOUSED

Employees of Auto Specialties Manufacturing Co., St. Joseph, Thursday morning (9:20-9:55 a.m.) extinguished a fire in a conveyor pit with hand extinguishers and water from an inch and a half line. St. Joseph firemen, who investigated, said the fire was started when sparks from a cutting torch ignited oil and dust.

Prison Reform Key Topic For Law Day

The Berrien County Bar association on April 30 will sponsor a program on correctional reform in conjunction with the Twin Cities Rotary club. The program will be in observance of Law Day (May 1), with the national theme "Help Your Courts Assure Justice."

At the noon luncheon, to be held at the St. Joseph Elks club, members will hear an address by Atty. Arnold J. Hopkins, from Washington, D.C.

Hopkins is assistant director of the American Bar Association's Commission on Correctional

Facilities and Services, also known as the Hughes Commission.

The commission was appointed in 1970 upon the recommendation of Chief Justice Warren Burger of the U.S. Supreme Court. It directs such projects as the National Volunteer Parole Aid

program, the National Clearing House on Offender Employment Restrictions, the Pre-trial Diversion program, and others. The commission is a major project of the Bar association and is financed by the Ford Foundation and assorted federal and private awards.

Sen. Byker Against 'Agency Shop' Bill

SEN. GARY BYKER

Says Public Would Pay To Finance Unions

LANSING — Sen. Gary Byker (R-Hudsonville) said today he will vote against "agency shop" legislation for public employees now pending before the senate.

"The right to work by either teachers, city or county workers, or other public employees should not contain a condition that forces these people to pay dues to a union against their will," he said.

Byker said that if the legislation, which already has passed the house by an 85-18 vote, is

approved by the senate that it will "cost taxpayers astronomical sums of money" and force public employees to pay union dues even though they may elect not to be a member of the union.

"Public employees have a right to bargain collectively," Byker said. "That is not the issue."

"The issue is whether people who do not wish to belong to a union must pay tribute to the union in order to maintain their employment."

The agency shop legislation would not require that public employees join unions, but it would require they pay dues, Byker said.

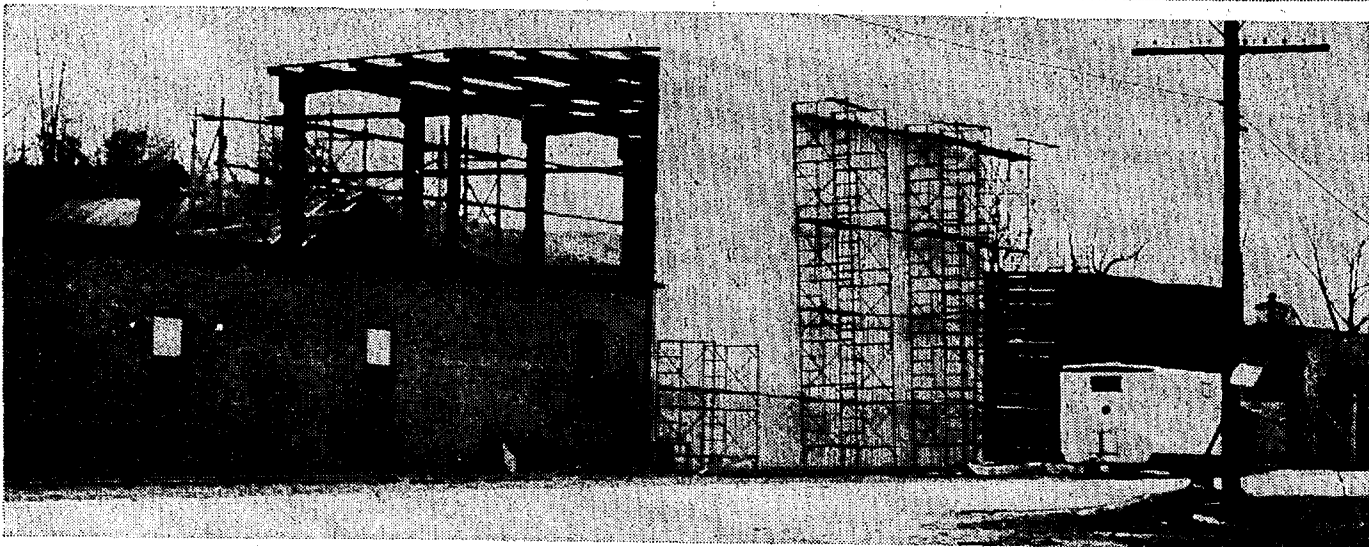

Supporters of the bill say that non-union members should help pay for costs of bargaining since they receive benefits under collective bargaining agreements.

Byker said, however, that the "agency shop" requirement would pass on to taxpayers the entire cost of public employee union activity.

The taxpayer pays the entire salary of public employees, plus fringe benefits, Byker noted, and approving the "agency shop" legislation would build into those salaries an amount for union dues.

He suggested that doing this would only serve to increase union strength, allowing unions to drive tougher bargains and further increase taxpayer costs.

When the measure passed the house, Byker said, Reps. Harry Gast (R-St. Joseph) and Ray Mittan (R-Benton Harbor) voted against it. He said Rep. Bela Kennedy (R-Bangor) voted in favor.

FIRM ADDITION: Addition of a 40 by 60 foot steel frame building, costing an estimated \$34,900, is underway to the M. Steffen company, 236 West street, Coloma, by Peterson Building company of

Benton Harbor. Plant that produces five types of vinegar, cider and apple juice. Addition will house cider manufacturing equipment. (Cliff Stevens photo)

Sidewalk Vendors Need Licenses For Parade Day

The Berrien county health department is sending letter reminders for sidewalk vendors of food and drink during two Blossomtime parades to obtain temporary state food licenses first.

Inspection and licensing applies to vendors of food and beverages at temporary stands in the twin cities Kiddies Parade day and Blossomtime Grand Floral Parade, May 3 and 5, respectively.

Vendors must apply for licenses to the health department in the courthouse, St. Joseph, before the day of the parade, then undergo inspection

of mobile stands at the courthouse parking lot before setting up the morning of the parade. Health inspectors will make on-site visits to fixed stands before parade time.

Licenses cost \$5 but are free to nonprofit organizations. Licenses must be displayed at the stands.

"An individual set up without a license will be closed down," according to Harry Grenawitzke, Jr., the department's food program administrator.

Inspections and licensing are aimed at preventing food-borne poisoning.

Gard Retarded Move Opposed

The Berrien County Association for Retarded Children has by resolution opposed dissolving the Gard school program for trainable special education students and moving them to a recommended new facility at Berrien Springs.

The association took its stand by resolution April 11, according to Mrs. John (Sue) Burla of St. Joseph, president of the association.

Mrs. Burla personally protested the proposed consolidation at a new facility in Berrien Springs earlier.

The consolidation would close not only Gard school but also classes at Niles. The recommendation to centralize trainable student classes was made to the Berrien In-

termediate school district board in January by a special committee of K-12 district superintendents.

The county association for retarded children board voted in favor of a resolution opposing consolidation except for two absences by members directly involved in centralization, Mrs. Burla reported.

The resolution opposes centralization on grounds trainable children would be "isolated" at Berrien Springs while the Gard program is successful and ongoing.

But, the resolution says, the association would work on studies of alternatives such as two facilities in the county or an expansion of facilities in St. Joseph.

LANE AND STOVER

Two Big Estates In Probate

Petitions were filed this week in Berrien probate court to probate the \$500,000-plus estate of Forrest L. Lane and the \$700,000 estate of Arthur W. Stover.

Mr. Lane, 56, died April 9 at his home at 2019 Sunset drive, St. Joseph. He was secretary-treasurer of the Berrien County Package company, founded by his father Harry C. Lane, which retained its corporate structure

after ceasing production of fruit containers two decades ago.

Mr. Lane's 1972 will bequeaths furniture, household goods, books and automobiles to his widow, Mirella Lane of St. Joseph, the rest of his tangible personal property to his son, Donald L. Lane of Benton Harbor, and daughter, Jean L. Mitchell of St. Joseph, and the remainder of his estate to a trust fund at Inter-City bank.

Mr. Stover, 63, Apple Knob, US-31, Berrien Springs, died March 31 in a plane crash near Niles. He was chairman of the board of National Mobile Concrete Corp., Berrien Springs; president of Midwest Tank and Fabricating Corp., Buchanan, and owner of Mid-America Terminals, Owensboro, Ky.

His 1951 will bequeaths his entire estate to his widow, Kay M. Stover of Berrien Springs.

Shrine Band Concert Monday In St. Joe

Annual Shrine band concert, one of the most colorful music events to hit the Twin Cities, with proceeds to go to crippled children's hospitals, is set for Monday.

Tickets are \$1 for the 8 p. m. musical event in the St. Joseph High school auditorium. Tickets can be obtained from any member of the Berrien County Shrine club or at the door, Ticket Chairman Jeff Keefe said.

One of the features of the concert will be the chanters from Grand Rapids.

At the 46th Imperial Council Session at Portland, Ore., in 1920, then Imperial Potentate W. Freeland Kendrick presented a formal resolution to establish a Shriners hospital for crippled children. His resolution was adopted unanimously after a lengthy discus-

sion. Thus, Noble Kendrick came to be known as the "Father" of the Shrine's great philanthropy.

It was decided at the outset that the hospital would be open to all children, regardless of race, or creed whose parents were unable to pay for the needed surgical, medical and hospital facilities.

At the 1921 Imperial Council session a majority report was approved which called for a chain of hospitals. The council changed the name to the Shriners Hospitals for Crippled Children. In the ensuing year steps were taken to establish the first of the eventual 22 Shriners hospitals at Shreveport, La.

Since opening the first Shriners hospital in 1922, more than 160,000 children have been cured or materially helped.

Four From Local Area New State Troopers

LANSING — Four southwestern Michigan men were among 46 probationary troopers graduated from the 84th recruit class of the state police.

One of the four and two other new troopers were assigned to southwestern Michigan posts.

All of the new troopers will begin assignments Monday, April 23, according to Col. John R. Plants, department director.

New troopers and post assignments include: Robert L. Behnke of Three Oaks, son of Mr. and Mrs. Edward Behnke, route 2, Three Oaks, assigned to Ypsilanti;

Gerhard H. Groth of St. Joseph, son of Mr.

and Mrs. Gus Groth, 2125 Odgen avenue, Benton Harbor, assigned to Lansing;

Paul J. Kinville of Marquette, son of Mr. and Mrs. Paul J. Kinville of Marquette, assigned to Paw Paw;

Robert J. Mihalik of Stevensville, son of Mr. and Mrs. Albert Mihalik, 6870 Jericho road, Stevensville, assigned to Ionia;

Covert Township Voting Monday On 2.5-Mill Tax

COVERT — Renewal of extra voted property taxes for police protection, ambulance service and approval of a reduced millage for road improvement will be considered by Covert township voters in a special election Monday, April 23.

Total involved in all three questions is 2.5 mills. All questions ask voter approval for five year periods.

Largest of the three proposals is 1.5 mills for continuation of a township road building program launched in 1963 when residents voted 2 mills. In 1968, renewal of the 2 mills for another five years was approved.

The road request was lowered to 1.5 mills to fit the proposed road modernization program for the next five years, according to Jerry Sarno, township supervisor.

He said 25 projects are planned over the next five years at an estimated cost of \$402,000. If approved, the 1.5 mill tax would produce annual revenue of about \$80,000.

Township police and ambulance millages were first voted in 1970. Each expired with

1972 collections.

Renewal of .75 mill, which would produce about \$40,000 annually, is asked for the police department. The ambulance millage renewal proposal asks .25 mill, which would yield about \$13,300 annually based on current tax valuation.

Polls in Covert township hall will be open from 7 a.m. to 8 p.m. Monday. Any registered voter of the township is eligible to vote.

PATROLMAN: Thomas LaVanway, 20, is newest officer on Coloma township police force, announced Chief Jack Page. LaVanway has been dispatcher for joint Coloma city-township dispatch system for two years. Addition of LaVanway increases force to five fulltime officers, including Page.

Special Meeting

EAU CLAIRE — A special meeting of the Eau Claire school board will be held 8 p.m. Monday, April 23, at Eau Claire high school, according to Sheldon Rosenberg, board president. Rosenberg said the Sodus transfer request will be discussed.

RURAL FENNVILLE

Woman Hospitalized By Two-Car Crash

FENNVILLE — A rural Fennville woman was reported in critical condition this morning at Butterworth hospital, Grand Rapids, as a result of injuries sustained in a two-car crash north of here yesterday afternoon.

Gertrude Elizabeth Villwock, 49, of route 3, 55th street, was injured at 4:50 p.m. when the car she was driving collided head-on with another auto on 57th street, Allegan sheriff's deputies reported.

The other driver, Clarence D. Hoggard, 21, of route 3, Fennville, was treated and released at the Holland city hospital emergency room.

Deputies said the Villwock vehicle was southbound and the Hoggard vehicle northbound on 57th street when the accident occurred at a curve near the 130th avenue intersection. Deputies said collision occurred in the center of the road.

Assisting at the scene were Fennville police and volunteer firemen, who were called on to free the injured woman from the wreckage of her car.

TAKE FURTHER NOTICE
that this Board has tentatively
declared its intention to make
such improvement and tenta-
tively designated the above-
described premises as a special
assessment district against
which at least a part of the cost
of said improvement is to be
assessed.

TAKE FURTHER NOTICE
that this Board has caused to be
prepared plans showing the
improvement, the location
thereof, and an estimate of the
cost thereof, which have been
filed with the Lincoln Township
Board for public examination.

PUBLIC NOTICE IS
HEREBY GIVEN that this
Board will meet on Thursday,
the 3rd day of May, 1973, at 7:30

enlargement or extension of the water supply system of the City
of St. Joseph which are approved in writing by the City Manager
of said City.

RESOLVED FURTHER that the County of Berrien is hereby
directed to invest any surplus or unused funds belonging to the
City of St. Joseph in the same manner as surplus funds of the
County of Berrien are invested.

Mr. Selent, seconded by Mr. Tobias moved approval of the
foregoing resolution.

Roll call resulted as follows: Yeas: Commissioners Gast,
Hanley, Selent, Smith and Tobias. Nays: None. Absent: None.
Motion declared carried and resolution adopted.

The City Manager announced the receipt of a check from the
Treasury of the U.S. in the amount of \$45,668.00 and a letter
from Graham W. Watt, Director of the Office of Revenue Sharing,
Secretary of the Treasury, Washington, D.C., stating that
this check represents Revenue Sharing to the City of St. Joseph
for the first three months of 1973. Presumably three more
checks will be received from the Treasury during calendar 1973.

The City Manager read a letter from George K. Bernstein,
Federal Insurance Administrator, Department of Housing and
Urban Development dated April 2, 1973, announcing that he was
authorizing the sale of Federal flood insurance effective April 9,
1973 at subsidized rates on an emergency basis for the City of St.
Joseph and stating that the insurance company of N.A., Detroit,
Michigan had been designated as its serving agent.

Messrs. Frank Sink and Robert Krumroy of the firm of
Thayer Paper Co., Benton Harbor, Michigan, appeared before
the City Commission and offered to buy the six acre parcel in the
SE corner of the City's Industrial Park at a price equal to
\$5,000.00 an acre.

After discussion Commissioner Hanley, seconded by Com-
missioner Selent offered the following resolution.

RESOLUTION TO SELL SIX ACRES IN THE INDUSTRIAL
PARK DISTRICT

WHEREAS Messrs. Frank Sink and Robert Krumroy,
representing Thayer Paper Co., Benton Harbor, Michigan, have
offered to purchase approximately six acres in the S.E. corner
of the City's Industrial Park near the intersection of Hawthorne
and Cleveland Avenues for the sum equal to \$5,000.00 per acre, and

WHEREAS the City Commission desires to accept said offer
subject to certain conditions.

THEREFORE RESOLVED that the offer of Frank Sink and
Robert Krumroy, representing Thayer Paper Co. be and hereby
is accepted providing that they shall submit preliminary draw-
ings showing the type of buildings to be constructed before a
deed is delivered.

RESOLVED FURTHER that the City Manager is hereby
authorized and directed to execute a memorandum of sale
including the conditions of this resolution on behalf of the City
of St. Joseph, Michigan.

Roll call results as follows: Yeas: Commissioners Gast,
Hanley, Selent, Smith and Tobias. Nays: None. Absent: None.
Motion declared carried and resolution adopted.

Mayor Smith designated a citizens committee to assist
residents in the Lions Park Drive area who own property
abandoned on or near the waters of Lake Michigan in their
application for possible aid for
